

Hello Band Families!

Welcome to the 2010-2011 Farragut High School Band year! Enclosed you will find the Medical Release forms that must be filled out and returned for each band student. These forms provide the band directors and first aid personnel with critical information about the well being of your child. In order for us to provide the best care possible for your child, please complete both forms and return to the Blue tub in the band office on Monday, July 26, 2010 (this is the first day of band camp). Students are not allowed to travel with the band if both forms are not on file.

Also, as we get into our travel schedule this fall, there will be many opportunities for you to support our program! We need 15-20 chaperones and one first aid person for every event we go to. We also provide a snack and bottled water for the kids on all trips, so if you are not able to travel with us, you can offer your support by providing prepackaged snacks or bottled water for the kids.

If you are interested in helping in any way, please email me and I will add you to my email list. Please add my address to your contacts, as I send emails to large groups and if your system does not recognize my address, the messages may be tagged as spam, and you won't get the emails. There are so many ways for you to help our kids....please come to the Band Booster meetings to find out how you can help!!!

Please visit the band website at www.farragutband.org for more information.

Thank you for getting involved and welcome to the band family!!!
